Hi Dan, His itinerary is on their website. What I do know and this would be a good place to get photos of him is his public meeting at Rotary Park at 10:00. Thanks for all your doing. The photos have been great!

Morning Libby,

Do you have info on the Governor's plans today? Do you want me to try to follow him and take pics for you or do you have that covered?  
Please do a REPLY ALL since I can't access my home e-mail when on the road so I included my work e-mail on this message. You could also text me at 970-759-5549.

It's 4:30 AM and I have been up since 2:00AM so heading to bed for a couple more hours or so. I'll check my messages when I get up.
